WORLD CLASS SCHOOL TRIPS IN NEW ZEALAND

Internationally recognised for its distinct biodiversity, New Zealand is home to some of the world's fastest shrinking glaciers, remarkable wildlife species and stunning landscapes.

New Zealand's booming tourism industry is largely thanks to its unique natural features and geography. On this fun school field trip, you will discover how and why New Zealand's geography is integral to its tourism and economy. Queenstown, 'the adventure capital of the world' has been at the heart of this tourism boom.

PUT STUDENTS PHYSICAL, BIOLOGICAL AND INFORMATION SCIENCES KNOWLEDGE TO THE TEST

On this geography trip, your students will put classroom learning into practice as they are immersed in one of the world's most unique geographical areas.

TRIP SUMMARY & ITINERARY

DAYS 1 - 2

Arrive in Christchurch and head to the Christchurch CBD for your Red Bus city tour. Following your CBD tour, attend an educational program at the University of Canterbury to learn about earthquake research work being done there.

Learn about the cause and effect of earthquakes. See how the city's rebuild is incorporating new technology to better protect its infrastructure.

GET LOST IN THE STARS AT THE SOUTHERN HEMISPHERE'S ONLY DARK SKY RESERVE

Transfer to Tekapo for an afternoon of fun at the Tekapo Hot Pools, ice skating and swimming. Enjoy a short hike up Mount John, and admire the gorgeous view of Lake Tekapo! Arrive at your accommodation in Glenntanner, and take in the best night skies in New Zealand!

DAYS 3 - 4

Visit Mt. Aoraki Park and the Department of Conservation for an educational programme; learn about the landforms and human perspective and impact within the park. Then, walk to the nearby glacier lake for a boat tour, exploring the Tasman Glacier. Transfer to beautiful Queenstown in the afternoon. Meet with tourism providers to learn how Queenstown has become a leader in NZ tourism and how it impacts the town.

LEARN ABOUT CURRENT ENVIRONMENTAL PRESSURE AND CONSERVATION EFFORT

Explore Queenstown's town centre before boarding the TSS Earnslaw. Take the breathtakingly beautiful ride across Lake Wakatipu to Walter Peak and have the best BBQ buffet lunch in Queenstown. Upon your return, head up the iconic Queenstown Skyline gondola and test your speed on the Queenstown luge track.

DAY 5

Enjoy Sunday brunch in Queenstown and get any last minute photos before heading home. Depart from Queenstown airport with memories to last a lifetime!

SAY GOODBYE TO QUEENSTOWN – IT'S TIME TO HEAD HOME!

TRAVELLING TO NEW ZEALAND WITH YOUR STUDENTS

MAKE TRAVEL WITH YOUR STUDENTS A BREEZE

With the wealth of knowledge and experience to support school groups on the ground, we create seamless itineraries with your school in mind. From flights to meals, to activities and risk assessments, we have everything covered.

Here at Educating Adventures, we want to work with you to create a fun, once-in-a-lifetime learning experience for your students, and we are here every step of the way to support you throughout your trip planning process.

"This was the trip of a lifetime combining a comprehensive tour of New Zealand's South Island with a variety of adventure and sporting activities and terrific staff who were fun as well as being knowledgeable. Our three weeks were superbly organised and we had the privilege to see the real New Zealand and meet with many outback characters. We will certainly be going back next year."
